

## ARTIST FEATURE

# FRANCIS GAUTIER

**@francisgautierart**

Francis is a New York based artist with a love for graffiti and hip hop. He has a burning desire to bring positivity to the community and spread universal love through his art and as a father to his two daughters. At the age of seven he fell in love with graffiti art and began experimenting with street art style. Urban NY is his playground and as a New Yorker he loves the art, Yankees, variety of individualism and food NY has to offer.

"My advice for aspiring artists would be to follow your heart, believe in your artistic vision, develop a positive network and support system, communicate well with others, keep an open mind and have a STRONG work ethic."

### ART , A UNIVERSAL POWER

"Art has shown me that it truly has a strong universal power and it can take our lives to places above and beyond we have ever dreamed of!"
